## Week 7 Term 2 – 23 May 2016

### NATIONAL TREE DAY

This Friday the 27<sup>th</sup> of May, our school is celebrating National Tree Day by planting 208 native plants, trees and shrubs around our school. Each child will get their own plant and section of the school to plant it in. This is the second year in a row that Chatsworth has participated in National Tree Day and we look forward to the wonderful gardens coming to life over the next few years. Thank you to Louise and Mr Bakhsh for their hard work organising this event.

### GYMPIE SPORTS GALA DAY

On the 3<sup>rd</sup> of June (Friday week), students in Years 5 and 6 will attend a range of sport events across Gympie in this Term's Gala Day. Last week, students were asked to pick from a range of sports such as Rugby League, Soccer, Tennis, Golf, Netball and more. Buses will transport these students to and from their venues. More information has been sent home with the students involved.

### GYMPIE STATE HIGH SCHOOL VISIT

Next Monday, the 30<sup>th</sup> of May, staff from GSHS are visiting our Year 6 students during class time to talk to them about preparing for high school, the programs that the high schools offer and answer any questions the students might have.

### REPORT CARDS

End of Semester Report Cards will be distributed to all students during the last week of this Term. This is a good time for parents to reflect on their child's academic progress through the beginning half of the year. All parents are welcome, upon receiving a report card, to make a time with your child's teacher early next Term should you wish to discuss their contents of the report.

### RIPPIN' REWARDS

Next week, all teachers will let parents know how many Rippin' Rewards each child has collected so far this Term. It would be fantastic if all parents could check in with their child to check how many Rippin' Rewards they have collected for good behaviour. Some students have already reached the target, some students will need encouraging to continue to do their best, and some students will be very close to reaching the target. Parents are reminded that this Term has 11 weeks, so there are still four or so weeks of school left to collect 50 Rippin' Rewards as a *Safe, Respectful, Learner*. This Term's Champion Day is a Movie and Games Day and will be held on the Wednesday of the last week of school (22<sup>nd</sup> of June).
