Week 2 Term 2 – 20 April 2016

ANZAC DAY CEREMONY

To commemorate Anzac Day this year, our school's ceremony will be held this **Friday the 22nd of April at 10.00am**, with special guests from the RSL attending, our Adopt-a-Cop Officer Sharon Callander, as well as Mayor Mick Curran. Parents and community members are more than welcome to attend this ceremony and the morning tea afterwards.

Chatsworth State School will also be marching in the **Gympie Anzac Parade on Monday the 25th of April**. We would like to represent our school well and have a lot more students and families than last year. We will meet students in the full school uniform in Smithfield Street (near Commonwealth Bank) before **10.30am**. Parents can collect their child/ren from Memorial Park after the march.

INSTRUMENTAL MUSIC NEWS

Due to the two consecutive Monday holidays, Mrs Morrow will be at Chatsworth on Friday from 11.30am (as per timetable) to do lessons. Don't forget your instrument! See you on Friday.

MUSIC NEWS

The Chatsworth State School choir is in need of a piano accompanist. Unfortunately, our regular accompanist no longer lives in Gympie and I have been unable to find a suitable replacement. The members of the choir work hard to prepare repertoire that they look forward to performing in front of an audience. For some performances, whilst not ideal, it is possible to perform with a backing track. However, in order to compete in the Gympie Eisteddfod, we must have an accompanist as the rules do not allow the use of backing tracks. The Chatsworth SS choir has been competing in the eisteddfod since 2012 and it is an important part of the choir's development. If you know of anyone in the community who plays the piano and may be able to accompany the choir, please contact the school or email me directly at dmead12@eq.edu.au

EXPAND YOUR WORLD

Capture the spirit of fun and friendship in your own backyard! Department of Education-approved Southern Cross Cultural Exchange is pleased to provide a different educational and cultural experience for you and your family. Don't miss the invaluable opportunity to learn about your favourite foreign culture, and even improve your languages' score.

Our volunteer families come in different sizes but all have big hearts in choosing to share their daily life and culture with an international exchange student. Volunteer families are more than wonderful hosts. They are a crucial part of S.C.C.E.'s tireless award-winning efforts to embrace our world through international cultural understanding and help put Australian culture on the map. Their voluntary accommodating of a 15-17 year old sporty, adaptable and nature-loving young individual brings with it unexpected rewards as the opportunity offers everyone a unique experience, to learn, gain and adjust.

Exchange students will be arriving soon in mid-July. Select your choice of a French, German, Italian, Spanish, Swedish, Finnish, Danish or Norwegian student and according to your family's availability. S.C.C.E. takes care of all the arrangements including school.

school photography & print solutions

Our school photos will be taken on Friday 30th May 2016

For the convenience of our school community, school photos can be ordered and paid for online using a secure online platform. Orders placed online DO NOT require an envelope, copy of fees or paperwork returned to school.

Envelope Orders: photos can also be purchased in the traditional manner using an envelope, with cash/cheque preferred.

The preference of our school is that orders and payments be made online, as this reduces the administration and associated security issues related to the return of cash & envelopes on photo day.

To place your order visit www.scece.com.au and enter the code- **049 128 922**. This code can also be found printed on your invitation. Please be aware that:

1. Sibling/Family Photos can be ordered online or via envelope. To ensure a smooth run photo day, online orders for Sibling/Family Photos will be cut off at 12:00pm the night before our photo day to allow a list of students that require Sibling/Family Photographs taken to be compiled. Sibling photos can still be ordered after the online cut off date by returning an envelope from the office and returning the envelope on photo day with your payment enclosed.
2. All online orders should be placed on or before our day of photography.
3. The online code above may also be used to order sports and other group photos.

All orders placed online will be delivered to the school for collection.
