RIPPIN' REWARDS – TERM FOUR

We are having some fun with this Term's target of Rippin' Rewards! This Term the target for students to reach to be invited to Champion Day will be a SURPRISE. Every few weeks, I will be giving the students a clue on parade as to what the target is. The students will find out shortly before Champion Day what the target is. This means that this Term, students will need to try their best and demonstrate Safe, Respectful and Learning behaviours at all times to ensure they reach the target.
