Swimming Term 4

A note will be sent home very shortly outlining the full details of our swimming program for Term 4. Once again this year, I have been able to secure a grant for our school and together with another kind donation from the P&C we will be able to make swimming free of charge for all families. Timetables and other details will be contained in a note sent home to all families shortly.

Congratulations

We have achieved some great results at our school over the past few weeks and I would like to publically congratulate the following students.

- **MATHS TEAM CHALLENGE (WHOLE OF GYMPIE SCHOOL CHAMPIONS):**
 - Monique Murnane, Tyler Paull, Kian Nevin, Jack Merton, Leah Garton, Josie Park (Reserve)
- **All Year 4/5 Rugby League Students** also won all four of their games 2 weeks ago at the Broncos challenge, awesome effort!

Upcoming School Holidays

A reminder to all families that next Friday the 16th of September is the final day of Term 3 before our Spring School Holidays. School will resume on Tuesday the 4th of October as Monday the 3rd of October is a Public Holiday.

KIDSONG 2016

Last Friday Courtney B, Makayla, Leah, Alyx, Haylee, Abby-Rose, Zara, Chantell, Mackenzie, Montanna, Jordan, Kymba, Amelia and Zoe represented Chatsworth State School at Kidsing 2016. Kidsing provides state school choir students with the opportunity to work with guest conductors and then perform as part of a massed choir for family members. The students had been learning 6 songs at school since the start of the year and were taught another 2 songs at the workshop alongside students from 11 other Gympie primary schools. It was a wonderful day of singing and music celebration and the students benefitted greatly from working with expert conductors and mixing with students from other schools. Thank you to the parents who allowed their children to be part of this event and a special thank you to those who attended the concert. I'm sure you will agree that the time and hard work that went into Kidsing was certainly worth it, given the beautiful singing and the joy on the children's faces.

New free learner driver app

The Department of Transport and Main Roads (TMR) has recently released an app which allows learner drivers to record their driving hours using a smartphone or tablet device. The Queensland Learner Logbook app is the first of its kind, enabling learners to electronically submit their completed hours directly to TMR for processing. This instant submission not only saves learners time and money mailing their completed logbook to TMR for processing, but it also means that TMR will be able to start checking submitted logbooks sooner. Learners can use the app to:

- view their progress against set target hours
- enter information for past journeys
- use the timer to record new trips
- save multiple vehicle and supervisor details
- seek approval for trips from their supervisor by email.

Those who have already recorded some trips in a paper logbook can still use the app by creating new entries to transfer their past trips across, or by submitting both logbooks for processing. Download the app for free today from the App Store or Google Play for Android. For more information, visit www.qld.gov.au/learnerlogbookapp.

I would like to take this opportunity to thank all my volunteers who helped with running the Crowbar, setup and pack up and those who helped behind the scenes getting things ready for the muster. I had a great time working with you all and greatly appreciated all the hard work you all put in. The money we will receive for doing the Crowbar will go towards helping to pay for various things for our children.

Important cyber safety tips

The department has recently been alerted to random users contacting children using the social media app 'Instagram'. The following tips are provided to parents on how their children can avoid random contact on social media:

1. Know which social media your child uses.
2. Discuss with your child who their online friends and followers are. Only be friends with people online who you know and trust in the real world.
3. Take a proactive approach and establish clear and agreed rules for your child's internet use.

TUCKSHOP NEWS

Thank you for all the support from parents and volunteers in helping keep Tuckshop open. Next Week there will be a new menu out so keep an eye out for it for next term. Prices have gone up on some products.
