### PREP ENROLMENTS – 2018

It has come to that time of the year where we are beginning to plan for 2018. I would encourage any family with a child who is ready for Prep next year to enrol them as soon as possible. I would also appreciate it if families know anyone in the community wishing to enrol their child in Prep next year to get in contact with the office.

### NATIONAL TREE DAY

This Friday, all students will be planting a plant for National Tree Day. This means we have received 230 native trees and shrubs for our student donated from Landcare. These will be planting on the far banks of the oval to help prevent erosion.

### LOST PROPERTY

If your child is missing a hat or jumper following sports days, please check the library veranda, as there is a large amount items there at the moment.

## YEAR 2/3MC NEWS

Year 2/3MC are investigating the concept and number 1 000 this term.

To put this amount in a form the children can understand better, the class are trying to collect 1 000 milk, flavoured milk or juice bottle lids. So, instead of throwing them in the bin, could you please rinse them and send them to school for 2/3MC to count and collect? Thanks for your help.

Mr Mottershead & Mrs Cooper
