Week 1 Term 1 – 25 January 2017

2017

I would like to extend a warm Chatsworth Champion welcome to all families starting the 2017 school year at Chatsworth. A particular welcome to the many new families that are joining our community this year. The first day of Prep was very exciting on Monday with all students settling in to their classes beautifully. I hope all families are prepared for another action packed year at Chatsworth State School; I look forward to working with you all.

BEFORE SCHOOL ROUTINE

At Chatsworth, many students arrive well before classes begin at 8.50am – especially those that catch the bus to school. Students are to make their way to the undercover area near the main entrance after being dropped off by the bus or by their parents. Teachers will be on supervision duty from 8.00am. Once all the buses have finished arriving (at around 8.15am) students can move to either the library for inside quiet games or the oval for sport – teachers are on duty in both of these areas. Students will then line up and move to their classes at around 8.45am. All students should be in these areas (library or oval) unless they are being dropped directly at their classroom by their parent, such as the Preps. Parents are reminded that no student should be dropped at school before 8.00am as there is no supervision at this time.

YEAR 6 STUDENT LEADER BADGE CEREMONY

On Monday the 6th of February (week 3 of Term), all parents of Year 6 students are invited to our special student badge parade at 8.50am in the parade area. After the parade, the Year 6 students will host a Morning Tea for parents on the library veranda to celebrate their new roles as school leaders for 2017.

YEAR 4/5C

Unfortunately, 4/5C's teacher Mrs Camillo has had to take some unexpected leave to tend to families issues. Our thoughts are with Mrs Camillo at this time and we hope to see her back at school shortly. In the meantime, Mrs Leanne McClintock will teach 4/5C. Mrs McClintock is well known to our school and a very experienced class teacher.

CALENDAR OF EVENTS

- 26/1/17 – Australia Day
- 1 – 6/3/17 – Life Ed Van

STUDENT ABSENCES

Please notify your child's teacher or the school office of any absences. You are also able to use the absence text messaging system to notify the school of an absence once you have received a text message. I would encourage all parents to read the insert in this newsletter about school attendance.

CHATSWORTH CHAMPIONS

This Term, all students will be working towards a target of 50 Rippin' Rewards in order to be invited to attend the end of Term Champion Day. Students will also use these Rippin' Rewards each week in their class to access their class menu of rewards. Students will be given Rippin' Rewards at many times by all staff for being Chatsworth Champion. Becoming a Champion means that you are following our school rules and being a *Safe, Respectful, Learner* at our school.

CHATSWORTH STATE SCHOOL

Term 1 2017 P&C Newsletter

On behalf of the P&C Committee we would like to welcome the new families that are at our school this year. We would like to invite you all to join our 'Parents of Chatsworth' Facebook page. This page allows you to keep in touch with activities that are happening in the school and to ask questions when needed. There is also an app you can install on your phone called 'OSchools'. This has all the information about our school.

Parents, we would like to let you know that we need volunteers in Tuckshop, and in Fundraising. We fundraise to help make our Camps/Excursions cheaper, as well as our bus fares to and from events, camps and excursions so the extra help would be appreciated. Tuckshop will be open Monday and Thursdays. Volunteers are needed for both days, once a month would be a great help. Around August we get the opportunity to volunteer at the Gympie Music Muster by running the Crow Bar to raise more funds for our school, if you are interested in doing this, keep an eye out on our facebook page when we call for helpers.

How to fill out your Tuckshop order:

On a brown paper bag (from supermarket) also available at Tuckshop for 10 cents. Write the Child's name, Class, 1st or 2nd break, then what they would like to order, 1 bag per break per child please so we can put their food in it. Money is to be included and change can be given. The Tuckshop does not give credit so to save embarrassment please do not ask or forget to include money. Drinks and ice blocks for grade 2-6 will be highlighted and collected at the Tuckshop, prep-1 will receive these in their basket for teacher to hand out.

Upcoming Events for Term 1

P&C AGM date will be confirmed closer to time (usually February or March)
17th February - Hawaiian themed disco
March/April - Lamington Drive

Every Day Counts

How many days of school has your child missed?

0-6 Days

This is within normal range. Your child is taking advantage of the full range of teaching and learning opportunities available to them.

7-10 Days

This attendance rate is below average and must improve. Your child's levels of achievement will not be the best they can be. If this continues throughout primary school, your child will have missed more than a full semester of school.

11-20 Days

This is a poor attendance rate and must improve. Your child's levels of achievement will be negatively impacted. If this continues throughout primary school, your child will have missed two semesters of school.

20+ Days

This is a poor attendance rate and must improve. Your child's levels of achievement will be negatively impacted. If this continues throughout primary school, your child will have missed a full year of school.

Attendance = Learning = Successful Future

Does Your Child Have a Chance of Being Successful?

1 or 2 days a week doesn't seem much but.....

if your child misses....	That equals....	Which is....	and over 13 years of schooling that's...	Which means the best your child might perform is ...
1 day per fortnight	20 Days per year	4 weeks per year	Nearly 1.5 years	 Equal to finishing in grade 11
1 day per week	40 Days per year	8 weeks per year	Over 2.5 years	 Equal to finishing in grade 10
2 days per week	80 Days per year	16 weeks per year	Over 5 years	 Equal to finishing in grade 7
3 days per week	120 Days per year	24 weeks per year	Nearly 8 years	 Equal to finishing in grade 4
