PARENT /TEACHER INTERVIEWS

Our school has taken a very open approach to communicating with parents. We choose not to hold one-off interview nights as we know how busy your lives are and this can be inconvenient for families should they have other commitments at that time. Instead, we choose to offer families an ongoing commitment to open parent/teacher communication, meaning families are welcome to make contact with their child's teacher at *any time* throughout the school year.

I would encourage families to make an appointment time that is suitable to them and their child's teacher. These meetings can prove incredibly valuable to your child's learning and are a great way to keep up with how they are performing in class.

UNIFORM

Families are reminded that our uniform consists of the Chatsworth polo shirt and navy blue or 'BP' green shorts or the Chatsworth Dress. **In winter**, students can wear the Chatsworth Jumper, available from the uniform shop, or a navy blue plain jumper. Students can also wear navy blue track pants or dark, plain coloured leggings. A full version of our uniform policy is available on our website, which includes information about **winter uniforms**. You can find it in the 'Forms and Documents' section of the Chatsworth State School website.
