Week 9 Term 2 – 8 June 2016

END OF SEMESTER REPORT CARDS

Currently teachers are completing written Semester One reports for all students. These reports are a great gauge of progress made throughout the first half of this year and provide a platform for discussions for improvement into the second semester of learning. I would like to emphasize the “effort” rating on student report cards; this rating shows the level of engagement and commitment and I strongly encourage all students to strive for their best in all areas. Reports will be issued to students in the last week of term.

SPORTS DAYS

Our Sports Days are fast approaching – next Wednesday 15th and Thursday 16th of June. Included in this newsletter is the full two day program as well as the details of the canteen. I look forward to seeing you out there to cheer our kids on!

SMART CHOICES PROGRAM – YEAR 6

Next Friday the 17th of June, as Year 6 students will be attending The Smarter Choices Program. Could all Year 6 parents please ensure their child has handed in their permission slip – notes were sent home with students on Monday. This program offers a unique opportunity for students to gain a valuable insight into making the appropriate decisions within today’s society as they prepare for high school. This is a community-based initiative, presented in partnership with the Brisbane Broncos and Gympie Regional Council which aims to encourage students to foster healthy lifestyle choices.

DISCO LAST WEEK

On behalf of the school I would like to thank the students and parents who made last Friday’s disco one of the best that Chatsworth has hosted. A huge thanks is extended to the P&C who used the disco to raise valuable funds for our school and for activities such as the Year 5 camp.

INTERSCHOOL SPORT DEVELOPMENT DAY

Unfortunately, due to weather predictions, last Friday's Inter School Sport Development Day was cancelled. The \$3.00 paid by students will be carried over until the next Inter School Sport Development Day (09th September in Term 3). Year 5 & 6 students will again be able to choose a sport (with a couple of extra options) and will not have to pay if they paid this time.

Department of Transport and Main Roads CASUAL POSITION VACANT

A casual position exists for a School Crossing Supervisor at this school. The School Crossing Supervisor **may** be required to work five days per week in all *weather conditions*. The hours of work for School Crossing Supervisors are normally 1.5 hours a day and usually comprise of one hour in the morning and ½ hour in the afternoon.

The successful applicant is dependent on:

- The favourable outcome of a health assessment carried out by a Government Medical Officer or a duly qualified Medical Practitioner according to the guidelines in the "Notes for Medical Practitioner" on the School Crossing Supervisor Scheme – Health Assessment Form; and
- A Positive Notice Blue Card (This means you do not need to have a blue card to apply for the position)

Applicants are required to advise in writing of any charges that have been laid against them or any offence of which they have been convicted of. Applications addressing the selection criteria as listed in the position description must be submitted in writing to the school. If you are successful in your application for this position, you can only commence employment with Transport and Main Roads if you hold a current Blue Card or are renewing your Blue Card and have submitted either a Blue Card Application form or Authorisation to Confirm Current Blue Card form to the Commission for Children and Young People and Child Guardian. Address application to:

16th June – SPORTS DAY

23rd June – Louise, Gillian, Diane

In June and July 2016, students aged 15-18 years from over 25 countries will be arriving in Australia to study at local schools for 3-10 months. If you are interested in hosting a student call 1300135331 or visit <http://studentexchange.org.au/host-a-student>

Gympie Youth Mentoring Program

We are currently seeking volunteer community members to mentor young people in a one-on-one or small group setting to inspire students to achieve life, education and career goals. This program builds self confidence in young people and provides opportunities to develop vital decision making, problem solving and communication skills. Mentors and mentees work through structured activities and mentors are able to specialise in a topic that utilises their life skills and experience.

If you are interested in becoming involved in this program, or would like more information please contact Cassandra Elstob on 0408 992 822 or email: volunteer@chsn.org.au

This program is a wonderful opportunity to get parents and children involved in a fun program while learning about food and healthy choices. This is a one off public event, usually only presented to school groups. We are very honoured and excited to have this in our community for EVERYONE. **RSVP ESSENTIAL at this link:**

TV CASTING OPPORTUNITY
NEW DOCUMENTARY SERIES

We're looking for kids who are currently in grade 6 and starting high school in 2017

From childhood to adolescence, moving from primary school to high school is a time of significant change.

It can be a time full of fun, excitement and new experiences, but can also be challenging and scary for some kids.

This new documentary series will tell the real story of the transition from primary school to high school told by the students who are going through it.

 **James Nash Enrolment Information for 2017**

2017 Enrolments are now open for current Year 6 students wishing to enrol at James Nash State High School.

The following information is for interested parents and students. Please note that James Nash SHS is now offering a STEM Extension class as well as Extension Plus, Extension, Essentials (Mainstream), Learning Support and Structured Learning class offerings.

Date Claimers:

Beginning Week 8	Administration personnel and former students will begin visiting the feeder primary schools. Enrolment and scholarship packages will be distributed. Information about the school and class offerings will be explained.
14 June	James Nash SHS Open Day – evening for parents and students to attend to learn more about the school. Evening will begin at 5pm at the PA Block and then parents/students will be taken on a tour of the school visiting the various facilities. The evening will conclude at 8pm in I Block for a final opportunity to ask questions.
22 July	Scholarship and ACA applications are due at the Administration building.
5 August	Scholarship winners announced.
18 September	Enrolment booklets are due at James Nash Administration.
18 October	Extension Plus and Extension interviews – any student applying for either Extension Plus, Extension (STEM), Extension or Learning Support classes will be asked to attend these interviews (information regarding this will be forwarded to the relevant student and their families).
28 November	Enrolled students for 2017 are invited to spend a day at James Nash for their Orientation Day.

Additional Class Offerings for 2017

In addition to our Extension Plus and Extension class options, James Nash is pleased to offer an additional offering to their differentiated program. In 2017 James Nash will be introducing an exciting new option for our Year 7 students. To align with contemporary Australian Curriculum directions we will be offering one of its Extension Classes as an Extension STEM (Science, Technology, Engineering and Mathematics) class. This class will not only cover the Year 7 Australian Curriculum but will offer a very deliberate STEM Problem Solving approach to learning. This class will target students who have a passion for STEM subjects. These Extension STEM students will complete their digital technologies elective with a clear focus on Coding and Robotics and will study a specialist STEAM (Science, Technology, Engineering, Arts and Mathematics) elective in Year 8.

Interested students will need to apply for the Extension STEM option in the school's enrolment package and be willing to attend an interview on 18 October.

vision to action through planning

presents a free short presentation for families of people with a disability

Planning for Now Tomorrow and the Future

Aimee McVeigh, an experienced lawyer and a director of Disability Law Queensland, is offering a presentation for families and friends of people with disability that explores the issues of preparing and planning for the future and keeping people safe in the long term.

The presentation will look at a variety of issues - developing a vision and building networks of support; guardianship and administration, and wills and trusts, including special disability trusts.

Aimee's interest in legal matters relating to families and people with disabilities has been demonstrated in a number of ways. In her work as a lawyer, she has acted for numerous clients with disabilities and for family members who have children with disabilities. Aimee has worked with Pave the Way for over three years and she is also a past board member of Queensland Advocacy Incorporated.

To reserve your place, please contact Elaine Henderson on 07 3291 5888 or elaine.henderson@pavetheway.org.au
